

Welcome to Save Point: Game. Stream. Save the Children.

Thank you for signing up to our first EVER gaming and streaming fundraising event. We're so excited to welcome you to a community of gamers and streamers who are coming together to create lasting change for children!

Save Point is taking place on **Saturday 5th and Sunday 6th December 2026**. If that weekend isn't convenient for you, don't worry! You're very welcome to hold your fundraiser before or after the event dates and still be part of Save Point until the end of December!

Whether you're an experienced gamer or completely new to streaming, your support will make a real difference. Every gaming session, livestream and conversation helps children survive, have hope and build a better world.

What's next?

1. Set up your JustGiving page by clicking [HERE](#). There is more information on this in the step-by-guide if you need it, or feel free to email us at fundraising@savethechildren.org.uk if you're having any issues.
2. Take a look through the rest of your Welcome Pack. Inside, you'll find:
 - Our [Terms and Conditions](#) of Participation for you to refer to. You agreed to these when you filled out your sign-up form. Please take the time to read these, as there are important restrictions to taking part. For example, you must be over 18-years-old to take part.
 - A step-by-step guide to getting involved, including instructions on setting up your JustGiving page.
 - Some handy cost examples to help you set your fundraising target and encourage your viewers to donate.

We'll be in touch in November with exclusive Save the Children streaming graphics and assets to help personalise your livestream and spread the word about the incredible thing you are doing for Save the Children. We'll also send you information about our work and some key messages, so you can feel confident when talking about our work.

In the meantime, if you have any questions about Save Point or Save the Children, please don't hesitate to get in touch with us by emailing fundraising@savethechildren.org.uk

Eglantyne Jebb, the founder of Save the Children, said 'Humanity owes the child the best it has to give.' And by joining Save Point and taking a stand for children everywhere, you truly are an example of the best of humanity. We can't thank you enough!

With warm wishes, Save the Children UK
